

2018 PROJECT POSSIBLE

How can you make an impact on college readiness today?

1. Nominated a school for the Project Possible Grant
2. Donated school supplies at 2018 Midwest ACAC Conference

Project Possible offers a one-time award worth \$1000. The award should be used to help a school in need purchase college readiness materials. In addition to funding, the school will also receive all cash donations and school supplies collected at 2018 Midwest ACAC Conference.

Nominations for Project Possible are due March 31st, 2018

(Self-Nominations are encouraged. Non-WACAC members can participate.)

To Nominate: Fill out the nomination form and tell us how the students of your school would benefit from the Project Possible Award. Nomination forms and questions can be directed to Alex Riehle at ajriehle@uwm.edu

To Donate: Gather all your unused and lightly used school supplies and bring them to the Midwest ACAC 2018 Conference. We will collect donations at the conference as well as collect cash donations throughout the year. Please email Alex Riehle at ajriehle@uwm.edu if you are interested in making a donation.

2018 PROJECT POSSIBLE ~ NOMINATION FORM

I nominate the following high school to be the recipient of the WACAC-Committee for Inclusion, Access, & Success 2018 Project Possible Award.

Name of school (or district):
