

# Project Possible

Project Possible is designed to help a school which is in need, by awarding the school with donations of school supplies, college counseling materials, and \$1000 to the supply store of their choice.

- Is there a school or school district that needs help in order to better serve their students?
- Is there a school that has endured an event which has caused financial stain on the school?
- Is there a school that you believe needs help financially?

**Nominate a high school for the 2017 Project Possible Award!**

**Self-Nominations are encouraged!**

**Nominations are due by March 27, 2017.**

## **To Nominate:**

Fill out the nomination form and tell us why the school should be selected for Project Possible and the ways in which the school would benefit from being selected. Email [ajriehle@uwm.edu](mailto:ajriehle@uwm.edu) for a copy of the nomination form.

## **How you can help:**

Gather all your unused and lightly used school supplies and bring them to the WACAC conference for donation. We will collect donations at the conference as well as collect cash donations throughout the year.
